Re: MOUNT LAUREL - Township of Chatham, Docket No. MRS-L-1659-15
and Township of Harding, Docket No. MRS-L-1672-15

Dear Judge Hansbury:

This office represents Chatham Township and Harding Township in the above referenced proceedings. In accordance with the Case Management Order dated November 2, 2015, both Harding and Chatham Townships will rely upon the following reports which are attached:

1. Report of Nassau Capital Advisors, dated September 22, 2015.
2. Report of Econsult Solutions, analyzing the report of Dr. Kinsey, dated September 24, 2015.
3. Memo Report from Econsult Solutions dated Dec. 8, 2015, addressing the "gap period" issues.
4. Report of Econsult Solutions, dated December 30, 2015.

We have also enclosed a CD containing these reports, as well as Excel Spreadsheets supporting the Econsult December 30, 2015 Solutions Report in "locked" and "unlocked" formats. We are aware that all other counsel and the Special Master already have these materials in their possession so we are not providing the materials to them. If they wish to have it sent again, we will be pleased to accommodate their request. Both Harding and Chatham Townships reserve the right to submit more accurate data and information pertaining to the municipality, if available to be input into the Econsult analysis; however, they will rely upon the methodology developed by Econsult.

Harding Township will also rely upon testimony from its planner, William Drew, and Chatham Township will rely upon testimony from its planner, Frank Banisch.

Respectfully submitted,

Steven A. Kunzman
