

AN EVENT ON DRINKING WATER QUALITY

JOIN A CONVERSATION TO LEARN ABOUT WATER QUALITY IN THE CHATHAMS

Water & Wine in the Chathams

Over a complimentary glass of wine, come ask about where our water comes from, what it is tested for and how our water measures up against federal and state guidelines.

This will be an informal, semi-technical conversation with guests from NJ American Water, Garden State Laboratories and others.

Newcomers to the area are especially encouraged to attend, so you can meet neighbors and learn more about our community.

When: Thursday, Oct 20, 7:30-8:30pm

Where: Charlie Brown's Steakhouse, 522 Southern Blvd, Chatham

For more information and to RSVP, contact:

Peter Gallagher of the Chatham Township Environmental Commission: [201-364-1676](tel:201-364-1676) or petergallagher000@gmail.com.

There is no charge for the event, and all attendees receive a complimentary glass of wine (or water!).
